CLASS DESCRIPTIONS

CLASS NAME	DESCRIPTION
AOA Fitness	The Active Older Adult (AOA) Fitness program is everything you need to stay healthy and fit: 20 minutes of easy aerobic dance moves to fun music, followed by 20 minutes of light weight training, and 20 minutes of balance and stretching. This program is designed for adults ages 50+.
BODYPUMP™	BODYPUMP™ is the original barbell class that strengthens your entire body. This 60-minute workout challenges all your major muscle groups by using the best weight-room exercises like squats, presses, lifts and curls. Great music, awesome instructors, and your choice of weight will inspire you to get the results you came for and fast!
Boot Camp	Military-inspired workouts never go out of style for a reason. They burn serious calories! Built on 3 fundamentals of training - cardio, strength, and agility - they are more intense than most fitness classes and more fun than traditional gym workouts.
Cardio Strength	Join us for a total body workout. This class will incorporate a cardiovascular workout with interval, resistance and strength training (using tubes, dumbbells and one's own body weight) all packed into one hour! Abdominals will also be targeted. This class is suitable for all fitness levels. You will burn fat, build endurance, define & strengthen your muscles.
Chair Yoga	Chair Yoga is a gentle form of yoga that is practiced sitting on a chair or standing using the chair for support. These modifications are ideal for those that lack the mobility to move easily in standing poses. Chair Yoga participants will also enjoy the other benefits of yoga, including improved muscle tone, easier breathing, and reduction of stress.
Hard Core Express	This 30 minute class will strengthen every muscle group in your core. Focus will be on upper, lower, and oblique abdominals, as well as, muscles in the back. Create a lean and sculpted body in a short amount of time.
Insanity	High Intensity anaerobic interval training workout designed with athletic drills & modifications to accommodate varied fitness levels and results in a higher caloric burn and cardio/strength gains. Core work included.
Pilates	Work the CORE from the inside out in 30 minutes of strength training, with a deep emphasis on upper and lower abdominals, oblique's, and glutes. Achieve muscle tone, greater flexibility, improved balance, postural alignment, a flatter stomach and a stronger back. Suitable for all fitness levels.
Power Yoga	Power Yoga is a fast paced vinyasa flow which focuses on increasing the heart rate using your body weight to build muscle mass and bone density. Traditional flexibility poses are included to create more stamina and endurance for an overall cardio yoga experience.
Silver Sneakers	Have fun, make friends, and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and improve your daily living skills. Hand held weights, elastic tubing with handles, and balls are offered for resistance. A chair is offered for seated and/or standing support if necessary.
Silver Sneakers Yoga	Move your whole body through a series of seated and standing yoga poses to increase flexibility, balance, strength, and range of movement. Chair support is offered to safely perform a variety of postures if needed. Restorative breathing exercises and a final relaxation will promote stress reduction and mental clarity.
Spin	Studio Cycle classes will burn a ton of calories, increase lower body strength and improve your cardio vascular endurance. You will be inspired by music through intervals of flats and hills, strength and speed play. These classes are led by certified instructors and are on a first come, first serve basis. Please arrive a little early in order to obtain use of a spin bike as the maximum is 24. Take the challenge!
Tabata	Tabata training is a high-intensity interval training (HITT) workout. It is meant to help you lose weight, improve flexibility and build muscle.
Total Conditioning	This class uses free weights and bars to work and TONE each muscle group. We workout to high energy music for 4-5 minutes and work each muscle group to fatigue. It is not meant to "bulk up" but rather define and tone.
WERQ	Build cardio endurance dancing to today's hottest top 40 pop, rock, and hip hop music! WERQ up a sweat on the dance floor to all your favorite charting hits.
Yoga	Come and learn the basics of Yoga! This class focuses on breathing techniques and beginning Yoga postures in a smooth and flowing way to teach you a safe, effective and graceful style to strengthen and balance your body and mind. A brief stress relief relaxation is offered at the end of class. Beginner to intermediate levels.
Yogalates	Yogalates is a fusion of two proven practices, Yoga and Pilates. This class will focus on core strength, grace, balance, and flexibility. Join us in reawakening the mind, body, breath connection while sculpting the core and improving posture.
Zumba	We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. A total workout, combining all elements of fitness – cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.
